

Be it Proclaimed:

*The United States Environmental Protection Agency Region 6,
the Texas Commission on Environmental Quality and the Texas
Association of Builders hereby agree to work collaboratively on a pilot
program to better educate, inform and assist home builders with regard to
environmental compliance with state and federal storm water regulations.*

*In testimony thereof, I have signed my name at Colleyville, Texas,
this the 31st day of July 2008.*

The Honorable Richard E. Greene
Regional Administrator
Environmental Protection Agency, Region 6

Brent Wade
Area Director for North Central and West Texas
Texas Commission on Environmental Quality

Ron Connally
First Vice President
Texas Association of Builders
