

TEXAS ASSOCIATION OF BUILDERS
2027 Committee/Council/Task Force Appointment Sign-Up Form
Eligibility Criteria

The Texas Association of Builders relies on the leadership of our members to provide expertise and experience on the issues and challenges facing our industry. As such, all members of the association are invited to indicate their interest in serving on the various committees and councils. Please list your interests on the attached sign-up form and **return it ASAP**. Final appointments for 2027 committee/council/task force participation will be made by January 31, 2027.

Before applying and completing the sign-up form, please review the criteria below.

APPOINTMENT TERM

All appointments are for a term of one year unless otherwise stated in the TAB bylaws.

COMMITMENT

It is very important to understand the time commitment involved. Serving on a Texas Association of Builders committee, council or task force is an important responsibility and should be taken very seriously. These are not political appointments – they are working appointments. Therefore, each member will be asked to make a personal commitment in making attendance at the meetings a priority, by attending every meeting, arriving on time and staying for the duration of the meeting.

You are by no means obligated to accept an appointment. If you cannot fulfill the responsibility of your appointment for any reason, you are strongly encouraged to decline the appointment so the appointing officer can appoint another committed member to the post.

MEETINGS & ATTENDANCE

Serving on a committee will require that you attend at least two (2) Board of Directors Meetings – Winter Board, Summer Board and/or Fall Board. Additionally, some committee, council or task force meetings may be held periodically throughout the year, which you are strongly encouraged to attend.

Any member missing a meeting without an excused absence may be removed from the committee without prior notice. After appointment, all committee assignments will be e-mailed to new committee members.

SIGN-UP

Those interested in serving on Texas Association of Builders committees, councils or task forces are asked to complete the attached form and return it ASAP, to the Texas Association of Builders office as outlined below.

Texas Association of Builders
313 E. 12th St., Ste. 210
