In 1992, the Texas Association of Builders launched the Texas Star Awards — the only statewide tribute to excellence in the home building industry. The 2017 Star Awards showcases the outstanding work of builders, remodelers, architects, designers, sales professionals, marketing professionals, construction professionals and industry leaders in Texas and the Southwest! With more than 100 categories to choose from and hundreds of entries each year, it is impressive to be identified as a finalist!
