TAB honors 2019 Star Awards Winners.

Four different home builders associations had a Grand Award Winner.

AUSTIN, Texas – The Texas Association of Builders (TAB) announced the 2019 Star Awards winners on Aug. 8 at the Gaylord Texan in Grapevine, Texas. The Star Awards are given annually in conjunction with the Sunbelt Builders Show™ to recognize excellence in all areas of the homebuilding industry, these awards are highly-coveted within the industry.

There were a record setting 575 entries submitted and judged by Rick Heljm (Puyallup, WA) Sallie Sloan (Denver, CO) and Dan Marine (Wilton, IA) to judge. The judges were industry experts from across the nation.

In 1992, TAB launched the Star Awards – the only statewide tribute to excellence in the homebuilding industry. The annual competition showcased the outstanding work of builders, remodelers, architects, designers, and sales, marketing, and construction professionals in Texas.
