TAB Announces 2021 Star Awards Finalists.

Winners will be honored at the Sunbelt Builders Show™ on July 15.

AUSTIN, Texas – The Texas Association of Builders (TAB) is excited to announce the 2021 Star Awards finalists. For the third straight year, the program witnessed a record breaking 720 entries within the 162 elite categories. Projects and nominations were submitted by 120 companies from 60 cities across the state.

This year's record number of entries once again showcases the exceptional talent within the residential construction industry in Texas. Our great State should be proud of its builders, remodelers, architects, and designers as well as its sales, marketing, and construction professionals. It is an honor to be recognized as a finalist among this group of distinguished leaders. Congratulations!

TAB launched the Star Awards program in 1992 and it remains the only statewide tribute to excellence in the homebuilding industry. For the first time in program history, the Star Awards were judged virtually. The out-of-state panelists were tasked with selecting the best of the best by reviewing and evaluating the entries.

Winners will be announced on July 15, the last day of the [Sunbelt Builders Show™](#). The in-person [Star Awards](#) celebration begins with a cocktail reception at 6 p.m., followed by the presentation of the awards at 6:30 p.m. the Hilton Anatole in Dallas. All finalists are encouraged to attend the awards ceremony, as winners will be presented their trophies. Safety protocols will be followed.
