

Good afternoon,

As construction activities continue under recently updated requirements, it is essential that we take all possible steps to maintain and support worker safety.

All construction sites with more than 10 active workers are required to display the "Construction Jobsite Guidelines" poster at your job site(s).

- Please print this poster in both [English](#) and [Spanish](#).
- Display it prominently at your job site, according to the instructions provided at [Stay Home - Work Safe Supplemental Guidance Based on Executive Order No.GA-14](#).
- Provide copies to on-site supervisors, and encourage them to share this information in safety meetings.

In addition, please encourage workers to use [fabric face coverings](#) to help slow the spread of COVID-19.

For information about DSD modified operations, please visit austintexas.gov/page/dsd-covid-19.

It will take all of us, working together, to protect our community during this worldwide crisis. Thank you for sharing our commitment to help keep our workforce and the entire community safe.

Sincerely,
DSD Communications
