RE: TAB Awards

In an effort to recognize outstanding contributions to the industry by its members, the Texas Association of Builders may present awards for:

J.B. Sandlin Builder of the Year
Associate of the Year
Developer of the Year
Remodeler of the Year
Philanthropist of the Year
Local Association Accomplishment of the Year
Presidential Distinguished Service

These awards will be presented at the TAB Fall Board Meeting and Excellence in Leadership Dinner on November 12, 2020, at the JW Marriott in downtown Austin, Texas.

The “of the year” awards grading is based on state association involvement (50%), local association involvement (30%), and national association involvement (20%). Contributions in these categories are judged on previous years’ involvement, as well as current year’s activities. Each candidate is judged independently and a final tabulation of the results will determine the winner.

The “Association Accomplishment of the Year” and “Distinguished Service” awards will be based upon 2019 contributions and achievements.

Below is a link to all of the forms for nominating deserving members for these awards. When making nominations, be aware that individuals currently serving as TAB officers are ineligible to receive these awards. The nomination forms should be completed and returned to the Texas Association of Builders, 313 E. 12th Street, Ste. 210, Austin, Texas 78701 by **September 11, 2020**. A letter of recommendation from the local association Executive Officer must accompany the forms. Award recipients will be featured in *Texas Builder* Magazine and a high-resolution digital photograph must accompany the nomination form.

Prior recipients are ineligible to receive consideration again for at least five (5) years after their previous award.
