TAB COVID-19 Information

Dear TAB Members,

With concerns about COVID-19 on the rise, the Texas Association of Builders has the health and safety of our meeting and conference attendees and participants in mind. Currently, all our in-person events are scheduled to proceed as planned. We will continue to monitor developments in Texas and nationally and will take into consideration guidance from the Centers for Disease Control and Prevention (CDC), Texas Department of State Health Services (DSHS), the event properties, and our conference partners. Should any schedule changes, postponements, or cancellations become necessary, information will be posted on our website, social media channels and sent via email to event attendees and participants as soon as possible.

If you're traveling to one of our meetings or programs, we suggest reviewing the CDC's Traveler's Health recommendations. Obviously, if you are concerned about attending in person or you are experiencing symptoms, prudence would suggest that you forgo attending any meetings.

There are some valuable resources online that can keep you up to date with the outbreak of Coronavirus/COVID-19:

- Texas specific information - <http://www.dshs.state.tx.us/coronavirus/>
- Centers for Disease Control and Prevention - <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Thank you for your continued support of our industry and our local, state and national home builder associations.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Scott Norman, Jr.", with a stylized flourish at the end.

M. Scott Norman, Jr.
Executive Director
Texas Association of Builders
